The hypothetical example set forth in this presentation is intended to explain elements of the SendOutCards Compensation Plan. This hypothetical is not representative of the income, if any, that a SendOutCards Referral Partner can or will earn, and the figures are not a representation of earnings you should anticipate. Similarly, any Downline growth examples presented shows a Downline organization growing in symmetrical fashion. This is for purposes of illustration only; in reality, organizations do not grow fully or symmetrically. Success with SendOutCards results only from successful sales efforts, which require effort, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities.
