Personal Handwriting Font & Signatures

You can purchase your Handwriting Font/Signature Packages online in the Campaign Store. The Handwriting font package includes *only ONE* of the following: **A)** Handwriting Font + 4 Signatures, or **B)** up to 10 Signatures. Both forms are included here. Please, only fill out and submit the appropriate form (not both, unless you're purchasing multiple font/signature packages)

If you have NOT already purchased the Handwriting Font or Essentials Pack prior to submitting, please mark the box **"CHRG"** (at the top of the form) and we will charge your credit card on file when the form is received.

If you HAVE ALREADY paid for your font (or you've purchased the Essentials Pack or an Elite Package) please mark the box (at the top of the form) **"PAID"** so we may confirm prior to processing your form.

IMPORTANT! For best results:

- **Print out these forms in color** - the boxes should be pink/magenta

- **Use a BLACK pen. Medium or bold point (1.0mm) is best.** Do not use marker, sharpie or fine point
  - NOTE: Make sure your pen has good ink flow before filling out the form

- **Printed handwriting turns out better than cursive**, as cursive connections will not always match up
  - NOTE: This does not apply to signatures - use your natural signature

- **Do not write or print anything on the back of the form**

Handwriting Font Instructions

A- **Review the attached "Sample Form" for reference.** If you make a mistake you can cross it out and put the character in one of the extra boxes.

B- **Stay inside the red lines,** as these will be erased. Anything on or touching will also be erased.

C- **Keep all your characters proportional to each other.** Use the tick marks as guides if needed but use your natural writing style.

D- **Some punctuation is optional**: If you don't want/need a particular character you can substitute something else for that keystroke (i.e., smiley face, initials, heart, foreign character).

E- **Make sure your form is complete.** Missing characters or unclaimed signatures can not be submitted once your form is received for processing.
