**Kody Bateman** is excited to share his inspiring message and best practices for maintaining your most important customer retention at his unforgettable Relationship Marketing Grand Summit event. Kody's incredible message will inspire you to become your best self, teach you essential business development skills, and help you change the world through human connection.

This full day of courses will teach you how to leverage relationships, increase revenue, and retain customers and clients through relationship marketing.

### This life-changing event will help you:

- Understand the power of Human Connection
- Accelerate your business by putting relationships first in relationship marketing
- Leverage a turn-key tangible touch follow-up system
- Set and achieve personal and professional goals
- Implement daily habits that will set you up for success
- Create core purpose statements for your business and personal life
- Learn and follow a manifestation process
- Increase your referral business and customer retention
