

SendOutCards Co-founder, Kody Bateman, is excited to share his inspiring message and instruction at his unforgettable Promptings Academy event. This personal development event is designed to teach you skills to level-up your life. You will learn how to create I AM Statements to help you focus on the person who you want to BECOME. Kody will teach you about the importance of the daily language you choose and how that could affect your personal growth. You will learn how to listen to your inner promptings and recognize when you should act upon them. This event is a life-changing experience.

This full day of personal development courses will help you find your genius within and teach you how to share your gifts with the world. Begin the journey to become the YOU that you were meant to be.

This life-changing event will help you:

- Learn about yourself and your true passion
- Set new goals for success that align with who you are
- Implement daily successful habits
- Create core purpose statements
- Learn and follow a manifestation process
- Design the I AM Statements that create the life you dream of
