

GREENER STILL RANKS AND HOW TO ACHIEVE EACH ONE

With Greener Still's six income streams, you can earn points that feed our simple duplication plan. You bring customers and Affiliates onto your team, help them bring in more customers and Affiliates, and so on. When they purchase from the six different companies, you earn points and can be paid from multiple levels of activity.

★ STAR 1

To become a Star 1 you will need to be current with your monthly Affiliate fee and have at least 15 sponsor points. 10 of those points must come from customer purchases.

★ STAR 2

To become a Star 2 you must meet the requirements of Star 1 and have 30 team points from your level 2.

★ STAR 3

To become a Star 3 you must meet the requirements of Star 2 and have 150 team points from your levels 2 and 3 combined.

★ STAR 4

To achieve the rank of Star 4, you must meet the requirements of Star 3 and have 750 team points from your levels 2, 3, and 4 combined. No more than 375 team points can come from any one leg.

★ STAR 5

As a Star 4, you can now begin to earn leadership points, which are paid from levels 5 to infinity. To become a Star 5 you must meet the requirements of a Star 4 and have 1,500 leadership points from your level 5 to infinity. No more than 750 leadership points can come from any one leg.* These leadership points may come from previous months that have carried over.

★ STAR 6

As a Star 4, you can now begin to earn leadership points, which are paid from levels 5 to infinity. To become a Star 5 you must meet the requirements of a Star 4 and have 1,500 leadership points from your level 5 to infinity. No more than 750 leadership points can come from any one leg.*

★ STAR 7

Continue to grow your team and your leadership points by helping your team stay focused on our simple duplication plan.
